### VIR-2391/2207: Viro Java Umbrella Thatch Panels

Life-like poly fiber Viro Java thatch brings the look of traditional Balinese without the hassle. It will not rot, mold or decay. Non-heavy metal dyes, 100% recyclable High-Density Polyethylene (HDPE). These 9-layer panels feature pre-installed clips, allowing them to be clipped onto the 1/4" steel rod rings of our umbrella frame kits. Available in Class A Fire-Rated or non fire-rated options.
